The Immigration-Crime Myth

Tuesday, Feb. 16

3-4:30 p.m.

Social Sciences Behavioral Gateway,
room 1517

Professor Piquero will review findings on the immigration-crime relationship using a varied array of samples. He argues that, across data sources, and without exception, the findings clearly indicate that the immigration/crime relationship espoused in the popular press is inconsistent with the facts.

Coffee & snacks provided!
